

8 February 2018

Dear Parent/Carer

Y11 Geography Half-Term Support - Tuesday 13 February 9.30-11.30am

The Geography Department has organised some additional support for students during the half-term holiday. This session will be led by the Geography Director Mrs Parish and will be held on Tuesday 13 February from 9.30-11.30am in room 204. This session will focus on specific examination skills and key topics across the examination papers.

The session is open to all GCSE geography students. However, if your son/daughter has been previously requested to attend after-school enrichment then we strongly recommend that they attend the half-term session. This additional support will allow students to receive some extra support to help them secure their target grade.

I would be grateful if you could return the attached reply slip to Mr Parker by Friday 9 February, as the session is being held during school holidays, we must ensure adequate provisions are in place regarding Health and Safety for the number of students attending.

Please do not hesitate to contact me if you have any questions. Your support, as always, is greatly appreciated in this matter.

Yours faithfully

Andrew Parker
Second in Humanities and MFL Faculty

Half-Term geography support – Tuesday 13 February 9.30-11.30am

Name: _____

VMG: _____

I confirm my son/daughter will/will not be attending the support session.
