Dear Parent/Carer

## Praising Stars© 6 Report

As we approach the close of this academic year, we hope that your son/daughter has had a successful final term, and has had a smooth transition up to their subsequent year group. All students have their new timetables and planners, which we ask you to support us by signing weekly. Please find enclosed Praising Stars© 6 information for your child. This is the final report that will be produced throughout the academic year, to ensure you are kept fully informed about progress towards challenging targets and effort levels, as well as flag up any concerns. Please note this report does not have a Parents' Evening linked to it.

In brief, the report gives you:

<u>Effort</u>	E1/E2	Outstanding/good effort – star student
	E3	Positive effort – doing most of what we expect
	E4	Cause for concern – may have received a C4 department detention
<u>Target</u>	This uses your son/daughter's performance at the end of Key Stage 2 to calculate what they should attain at the end of their Key Stage 3 (for Years 7 & 8) or Key Stage 4 (for Years 9, 10 & 11). Targets are based on how students of a similar ability perform nationally in the top 25% of schools.	
<u>Prediction</u>	This is either a National Curriculum Level (Years 7 & 8) or GCSE grade (Years 9, 10 & 11) which each teacher predicts your son/daughter will attain at the end of their Key Stage based on their current performance and the teacher's professional judgement. If a student is studying a BTEC qualification, then an A* = Distinction*, A = Distinction, B = Merit, C = Pass, W = working towards a pass and U = Fail	
<u>Homework/Coursework</u>	This indicates, where marked, that the teacher has a coursework concern (C) or a homework concern (H) or both (HC).	
<u>Attendance</u>	This indicates, where marked with an X, that the teacher has a concern that your son/daughter's attendance in their lessons is having a negative effect on performance and progress.	

The effort grades represent a student's effort from the last Praising Stars report until now. All students will start each Praising Stars© cycle as an E1 student in all subjects. We would be delighted if they were able to maintain this effort right through the next half term, but if they haven't this will be reflected in their grades.

I hope you find the report informative and useful, but please do not hesitate to contact your child's teacher or learning manager should you wish to discuss this further.

To ensure we know you have received this report, I would be grateful if you could complete the section below and return it to your child's VMG as soon as possible. This will avoid unnecessary phone calls and/or letters home to check you have received it. Feel free to write any additional comments on the reverse of the slip.

Yours sincerely

Mrs K Barlow  
Assistant Headteacher
