Wed			<b>Y11 Maths Paper 2</b> (1 ½ hours)	<b>Y11 Maths Paper 2</b>	
Thur					
Fri	<b>Y11 Maths Paper 3</b> (1 ½ hours)	<b>Y11 Maths Paper 3</b>			

## Notes

All Y11 students take Biology 1, Chemistry 1, Physics 1, Biology 2, Chemistry 2 and Physics 2. Only students in Science sets 11X1 and 11Y1 take Biology 3, Chemistry 3, Physics 3. This is exactly what will happen for the actual GCSEs.

Students with extra time can stay in the hall after other students have been dismissed. This is exactly what will happen for the real GCSEs. We encourage students to use this time.

Students who are entitled to a 'reader' will have a reader pen on their exam table (please use it!) but bring your own headphones if at all possible. Students who are entitled to a laptop will have a laptop on/near their exam table. We encourage students to discuss with their classroom teacher whether this will be helpful.

\* Students with extra time can have a break for 15 minutes after they have finished and then go to lessons, please stay in the dining room area.

\*\*This exam is 2½ hours long. The exam will be from 8.25-10.55, your break will be from 10.55-11.10, please stay in the dining room area, period 3 will be 11.10-12.00.

\*\*\*Students who take Triple Science and have extra time should go to lunch at 1.00-1.30 and then to Mrs Chiverton period 5.

### Changes to lunch

Monday 6 March – Y10 and Y11 will swap

Tuesday 7 March – Y10 and Y11 will swap

Wednesday 8 March – Y10 and Y11 will swap

Thursday 9 March – Y8/10 and Y9/11 will swap

Friday 10 March – Y10 and Y11 will swap

Tuesday 14 March – Y10 and Y11 will swap

Thursday 16 March – Y8 and Y11 will swap

Friday 17 March – Y10 and Y11 will swap
