

Y11 Leavers 2017—Parent Survey

As the academic year for our 2017 Leavers' draws to an end, I wanted to take the opportunity to ask Year 11 parents in particular, how they feel about the academy and the support that has been given to their young people in their final year.

We continue to grow and develop as an academy, and there are always areas to improve, as well as to celebrate. We try to evaluate the impact of our support, and Y11 have completed a lengthier survey, reflecting too on how effective each intervention has been, such as 1:1, after-school Enrichment, breakfast sessions and so on. I am in no doubt that one of the biggest factors is the work parents have done behind the scenes supporting with revision and attendance, and so much more!

Please, if you are able to find the time, can you complete this survey, based on the usual Ofsted questions, and return it to the school in the envelope provided as soon as possible?

Thank you so much, Andrew Wappat, Principal
