

Y8 Parent End of KS3 Survey

As the academic year for our Year 8 draws to an end, and as we approach Graduation, I wanted to take the opportunity to ask Year 8 parents in particular, how they feel about the academy and the support that has been given to their young people during KS3, ahead of moving into Year 9 and to start their GCSEs.

We continue to grow and develop as an academy, and there are always areas to improve, as well as to celebrate. We try to evaluate the impact of all elements of our support for students, so they are able to flourish in the academy. I am in no doubt that one of the biggest factors is the work parents have done behind the scenes supporting with homework, organisation and attendance of course!

Please can you complete this survey, based on the usual Ofsted questions, and place it in the questionnaire box at the ceremony, or return it to the school as soon as possible afterwards?

Thank you so much,
Andrew Wappat, Principal
