Dear Parent/Carer

Guided Revision Timetable and Activities for Y11 Geography GCSE Students

Students in Year 11 have been given a guided revision timetable and activities booklet to help prepare them for the Geography exams in the Summer term. The booklet clearly maps out what students should be doing at home every week for each paper they will sit.

I have taken a screen shot of the booklet and included this below. Should you wish to have an additional copy please email me at k.mcgee@bydales.outwood.com. I will also have copies available at parents evening if you would like to make an appointment.
