Dear Parent/Carer

Easter Revision Sessions

Please see overleaf, details of our Easter revision programme.

These intensive revision sessions are designed to allow students the opportunity to close gaps in their knowledge based on recent assessments and to develop a better understanding of the requirements to secure a higher grade in the final examinations. Previous students have found these sessions to be extremely helpful.

Students do not need to be in Outwood Academy Bydales uniform. Students who are staying for a morning and afternoon session will need to bring a packed lunch as our catering facilities will not be open and students will be required to stay on site until the finish time.

It is strongly recommended that students attend these sessions where possible.

Please do not hesitate to contact me, or subject staff if you require and further information, I do hope your son/daughter will make full use of this opportunity.

Your faithfully

J. Ferris
