

10 January 2019

Dear Parent/Carer

Y9 Engineering Workplace Visit, Wilton Site – Friday 7 February 2020

We are delighted to inform you that Year 9 Engineering students have been invited to take part in a site tour of Wilton on **Friday 7 February 2020**.

The visit will take place within their timetabled Engineering lesson and VMG/break to minimise disruption in other lessons. Transport has been organised from Outwood Academy Bydales; accompanied by Mrs Jones and Miss Slater, students will be departing at 10.30am and should return at approximately 12.15pm, in time for lunch at 12.30pm. At the end of period 2, students may take a short break then report to Reception at 10.30am to be registered, ready to depart.

Students will tour the site by coach, with Huntsman representatives as their guides. Students will see companies that are based on the site, gain an insight into products developed there and how they are used in everyday life, as well as gaining information on apprenticeships, health and safety and the environment. This visit will allow students to think about potential career options and opportunities and will enable them to link their subject knowledge to the world of work.

To confirm your child's attendance, please complete and return the reply slip below by Monday 20 January 2020. Please do not hesitate to contact me should you require any further information regarding this trip via s.wing@bydales.outwood.com

Yours faithfully

Sarah Wing
LRC Manager

Reply Slip - Y9 Engineering Workplace Visit, Wilton Site – Friday 7 February 2020

I would like _____ (name of student) to attend the Y9 workplace visit to Wilton Site on Friday 7 February 2020.

Signed (Parent/Carer): _____

Date: _____

Name (Parent/Carer): _____

Emergency Contact Name and Number _____

Are there any current medical issues/medication being used that we are not currently aware of but we need to be aware of when taking students out of school?
