

## **Introduction**

**What is Enrichment?** Although formal lessons end at 2.30pm, the Academy day does not. Students are able to choose from a fantastic range of after-school Enrichment activities and clubs, both academic and non-academic.

We are incredibly proud that, despite the current circumstances, we are running over 50 hours of Enrichment each week. Sessions are typically 2.30 – 3.30pm, although some go on later than this. All sessions are on weekday afternoons, although only a few run on a Tuesday (due to staff training after school). All sessions are run by staff volunteers.

Enrichment is overseen by Mrs Kaya who is always happy to help with any queries (e.kaya@bydales.outwood.com) or you can contact the staff leading specific enrichment directly via email. The names of the relevant staff can be found within this booklet and all staff emails use the format [first initial].[surname]@bydales.outwood.com.

**Why attend Enrichment?** There are two main reasons to attend the after-school activities on offer. Firstly, catch up sessions are a fantastic tool to help accelerate your academic achievement. Whether you missed a lesson, want to improve your depth of knowledge or need help with coursework then catch up sessions will provide you with one to one tuition from a range of staff in different departments.

Secondly, Enrichment activities allow you to gain experience and skills in areas not typically part of your everyday curriculum. Enhancing your personal attributes by opting to gain new experiences is extremely desirable to future employers and higher education providers.

**Who can attend?** Everyone! Whichever year group you are in, there are after-academy sessions to choose from. For GCSE students, your teachers will let you know if they think you will benefit from an academic enrichment.

**What is available?** We are doing our best to provide a rich variety of enrichments across the school. Whatever your needs or interests there are activities to get involved with. The selection of activities are organised by day and year group. If there's an Enrichment you would like to take part in that isn't currently offered, mention it to Mrs Kaya.

**Is it safe?** All enrichment sessions adhere to current government guidelines and use the same safety procedures we use in lessons.

## Monday

Homework Club	A chance to complete homework with access to ICT and support from staff.	All Years	E Fellows	200 2.30-3.30
Year 11 Maths	One hour of maths every Monday straight after school. This is essential support for your GCSE exams.	11	M Ing X1 R Collins X2 J Ferris X4 K Hudson Y1 S Clayton Y2 S Joyce Y3	113 118 123 111 110 114 2.30-3.30

-----------------------	---	-----------	-----------	------------------

**What happens if an Enrichment has to be cancelled?**

Occasionally Enrichment sessions may need to be cancelled, such as when there is bad weather or a key member of staff is absent. You will be made aware of this at the very first opportunity so that you can plan your journey home. A message is also placed on social media and where possible a text message will be sent to your parent/carer.
