BETTER FUTURE BRIGHTER HOPE

## Session 2

### Unlocking your mind

#### TASK:

- Which mindset are you and why?
- Does it change depending on different situations in your life?
- Are you someone who thinks that you are just born intelligent?

## The Worry Jar

- What are the things you tend to worry about which might stop you from trying something new or hard?
- Write them down on strips of paper (or you can write them down in your booklet).
- Put those strips of paper in a worry jar – any jam jar or a pot will do.
- In a week's time, look at the strips of paper again (maybe with a parent or sibling) and see if the worries still apply.
- Throw away the ones that don't.
- Take a look at the ones that are still worrying you. Is there someone you can talk to about these?

**Use this time before Year 7 to have a go at things.**

**TASK:**

- Identify three things that you say you 'can't do'. Write them down.

- 1.
- 2.
- 3.

- Now write each thing down using a growth mindset approach. For example, 'I can't do maths' turns into, 'I am going to practise the things in maths that I can't do yet'.

- 1.
- 2.
- 3.

- Think of something you've always wanted to get better at. Write it down. How could you practise that thing now?

What are your hopes and dreams for secondary school?

You will be there from when you're 11 to maybe 16 or 18 years old. A lot will change in that time.

## Are you scared of failure?

Everyone will be scared of failure at some point in our lives, BUT sometimes fear stops us from doing things.

It can stop you from achieving your goals and dreams.

What are you worried about 'failing' in secondary school?

Some Year 6 students say that they are worried about some of the following:

- not making friends
- not being able to do the work
- that they won't know where to go.

# Go Big - Dare to take risks

BETTER FUTURE BRIGHTER HOPE

Think again about failure.  
That is how we learn.  
It is how we become determined.

Think of something that didn't go quite as you had expected. What did it teach you?

Jot that down now.

# Go Big - Making the Change

BETTER FUTURE BRIGHTER HOPE

## Session 4

### Making the change

Before you make a change, it is good to look back as well as look forward. Doing this can help you to see how far you have come! You started primary school when you were just 5 years old – you couldn't read or write back then!

### School memories

Name three things that have changed the most about you since you started primary school.

1.

2.

3.

What will you miss most about your old school?

What are you most concerned about in your new school?

# Go Big - Making the Change

BETTER FUTURE BRIGHTER HOPE

## Life is a journey...

Build on who are and what you have done in primary school...

Use it as a stepping stone to help you achieve, and enjoy a new school and environment.

What are the things that you have already done at primary school that you would like to build on?

# Go Big - Lost but not lost

BETTER FUTURE BRIGHTER HOPE

## Session 5

### Lost but not lost

Remember when Matthew Syed talked about a 'growth mindset'?  
Now is the time to remind yourself of that!

Change the statements on the left so that they are positive and hopeful. Your brain sometimes tells you negative things that are not based on fact. Your job is to tell your brain that there is another way to think and that it is wrong sometimes!

Statement	Transform it!
I won't ever fit in.	This is not true – I will find people who are like me; I just need to find them!
I will always be lost.	
I can't do these subjects.	
I won't make friends like I had in Year 6.	
I miss my primary school.	
One of your own:

## Getting Ready to Go Big

Here are some activities that will help you get ready for secondary school. Why don't you try some of them?

While you are working from home, try and complete AS MANY of these as possible. As you complete the activities, write the date or colour in the box to help you keep track. You can paste any photos/links to your work into a PowerPoint document.

If you or your parents use social media, please share photos of you doing any of the challenges and tag **#BeAwesomeGoBig**
